Memorandum For: Executive Secretary
President's Foreign Intelligence Advisory
Board

STAT

Enclosed are copies of correspondence between this Agency and the White House concerning the 9 July letter from [redacted] to the President and Mr. Sorensen. It includes a recommended reply to subject. We are returning the most recent letter and, again, if the White House has no use for it, we will be glad to add it to our voluminous files. This man's arguments and claims have been repeatedly received over the years, including by your predecessor, General Cassidy.
